

NATIONAL ARCHIVES CATALOG

Celebrities in the Archives!

Did you know the National Archives Catalog features many images of celebrities and other well-known people?

Our records document citizen's interactions with the federal government, including USO appearances, military records, immigration records, visits with the Presidents, and more. Celebrities you'll find in our Catalog include movie stars, musicians, authors, and athletes, often before they were famous!

How many of these well-known people can you identify?

Take our quiz!

Want to see more celebrities in the National Archives? [Browse more images in our catalog!](#) Who else do you think you can find? And while you search, consider [tagging records](#) to enhance searchability.
